

14th January 2022.

Dear Parents and Carers,

Happy New Year to you all, we wanted to write to you at the beginning of this New Year to pass on a few reminders as we move into 2022.

Cold weather

Firstly we are asking parents to ensure that all students come into school with warm coats and suitable shoes for being outside in damp or cold weather. As part of our ongoing efforts to reduce the risks of Covid-19 we will be continuing to ask students to be outside as often as possible for breaks and lunchtimes. If you need support with this please do get in touch with our student support team.

Sicknesses within school

We are aware that the guidelines for testing and isolations around Covid-19 continue to change, however as a school we also need to be protective against other illnesses at this time of year. If your child is feeling unwell and will not be able to engage with their day at school they should remain at home until they feel well enough to manage the school day. If your child has symptoms of sickness and/or diarrhoea they should remain off school for forty eight hours from the last episode of diarrhoea or vomiting.

School uniform

As you are aware the school has a uniform policy for students, we have copied this below. We would appreciate it if you could support your child to follow the uniform policy in school, or contact us if there are any difficulties with this.

School uniform can be purchased through the link on the school website and support with grants for new school uniform purchases can be accessed via our student support team, please contact us via the school office for more information.

If you have any questions please don't hesitate to contact us.

Yours sincerely,
